CLAYD RITUAL in Kashikojima

¥58,300 150min (Required time 180min / Privately reserved plan)

CLAYD's clay has various health and beauty benefits. It is from the desert on the west coast of the United States where Native Americans have been sacred.

Thalassotherapy pool water is from the sea of Kashikojima, the island where the Gods live.

We provide unique treatments that two great natural blessings from the earth and the sea are combined.

You can only experience these special treatments here in CLAYD SPA in Kashikojima.
