## SPA

---

Our all-manual treatments are based on essential oils from French professional-grade skincare brand Yon-Ka. Experienced professional therapists use their hands to assess your condition through your skin, and apply the treatments best suited to your individual needs, with essential oils to soothe the senses for a deeply relaxing effect.

## ABOUT YON-KA

Yon-Ka was created in 1954 by a French family of botanists, and today is the preferred skincare brand of leading spas and beauty salons in more than 50 countries around the world. Highly effective treatments and home care tailored to your skin, mind and body's individual needs deliver pure wellness.
